Solving transit for users. Driving guaranteed revenue for local businesses.

New Alamein · Egypt

*Turning transit waiting
into local discovery.*

THE PROBLEM

450%

surge in charter flights to New Alamein in 2025 — yet visitors have **no unified digital guide**.

Transit Anxiety

Visitors wait blindly at bus stops with no real-time tracking, wasting precious time.

Navigation Black Hole

Google Maps shows unrealistic roads in Alamein; locals can't rely on it.

Invisible Economy

400,000+ residents & 15,000 hotel rooms generate foot traffic that never reaches local SMEs.

THE SOLUTION - 5 PILLARS

One unified platform. Five ways to transform how Alamein moves and thrives.
